Dear Valued Patient,

I am happy to inform you that Lifeline Medical Associates and Cigna have worked out our contract differences amicably without any interruption of your care. An important part of our contract renewal adds Value Based initiatives to improve the care we provide you and help make your care more affordable. Thank you for your patience during this time.

Sincerely,

A handwritten signature in black ink, appearing to read "John Feltz". The signature is written in a cursive style with a long, sweeping underline.
